“ *What an awesome obituary! It brought back beautiful memories of hearing Michael's laugh as it echoed thru the office long before you saw his beaming face! I also remember how happy he was when he first met Natlie and she agreed to go out with him. So, if you think you hear him, it's because he's busy laughing as he's getting caught up with all of his friends and family in heaven. My prayers are with you, sweet Natlie and family. RIP Michael.*
