“ *Oh Mishi mash how I'm going to miss you. Your beautiful smile, silly laugh, crazy dance and most of all your Big Heart! Thank you for sharing all those precious moments in our lives. Thank you for having an ear to listen and a shoulder to cry on . I thank God for the strength and courage he gave you. Most of all the faith you have in him. Like you've always told me "love you, talk to you later !"*

“ Dear Family, my sympathy is with you. I didn't know your loved one, but I hope that you will be comforted by this promise from God's Word.

“ Michelle was the light of our hearts. She was joyful and always smiling. Funny as can be and got along with everyone that walked in her path. She was a great co-worker and the most beautiful friend I've ever known. This is the hardest moment in time but we will all have our day in heaven. No more suffering and enjoy the Lord and God's gift up in heaven.
