“ *Those we love remain with us For love itself lives on, And cherished memories never fade Because a loved one's gone. Those we love can never be More than a thought apart, For as long as there is memory, They'll live on in the heart. Khaloo Milhael, Your memory will live on in our hearts until the end of time. “ My beloved uncle, I have missed you dearly and wish that I could have spent more time with you. All words left unsaid and all things left undone. I would call Robert few time a week and would ask about you and he would tell me that you were doing fine. Alas, no one knew that you would leave us so quickly and leave such pain in our hearts. You reminded me of my Grandfather Shmuel (Your father) and my Grandfather Yonatan (My fathers father) was your age 79 when he passed away in 1980! As long as I'm alive, you will be in my heart and my mind and I will treasure every memory of you and will pray daily that you're happily united with friends and family.
