“ *No words can express the pain of losing you so suddenly-- I'm devastated, speechless, shocked, heartbroken and angry knowing that I won't be able to see or talk to you ever again. I was looking forward to making more amazing memories with you, mom, Monic and Nimita. I was patiently waiting for the next time you would come to Hawaii and hanging out with everyone at home. You were the best father I could ever ask for. I thank the Lord for giving me an amazing dad. Thank you for always being there for us and support us. You were our rock, our protector, and someone we could always count on for anything. I pray the Lord has grace on your soul and that you are in a peaceful place in Heaven, resting in the arms of the Lord. I love you, Jesus loves you. By the grace of God, I hope we see again and can be reunited and rejoice. Till then, dad. I love you ❤️*

“ I first remembered Nand on my first day working in the building department years ago. Nand was one the first on staff to great me. He always had a smile and had a great sense of humor. He was very intelligent but very humble with others. He loved to talk about his car projects and his trips to Jon’s cabin with the gang but he especially loved to talk about his wonderful family. He loved them very much. When he went to Figi every year he was missed but everyone knew he loved going there so it was ok with all of us. I will never forget Nand. He was a good honorable man. I know He’s in a wonderful place sunning himself in Gods paradise.

But we are celebrating the life of this exceptional person , who was never tired to help when help was needed somewhere .

Over the many years I have known him, since I married his beautiful sister Lalita, he was a great friend and we had many good times together in Usa , Fiji and Australia .

He will be greatly missed by us , and we wish our Sister in Law Aruna ,the Girls and family at large the strength you will need to overcome this great loss, and our prayers and love will be with you ;

“ My condolences to the family. I worked with Nand while at Gregg E. Miller and Associates and continued to interact with him while at the County throughout the years. His humor and lightheartedness will be missed. I always loved asking him about the family and catching up over the years, because I would get him talking and talking as the proudest husband and father in the world.

“ *I worked with Nand at the county for many years. He was such a wonderful person, and had such a kind heart. I enjoyed talking to him every day. Hearing about his family and his trips to see his mom we're always so interesting. The family is in my prayers every day as they go through this difficult time.*

Thank you for sharing that memory with my dad. I remember coming to the county as a little girl and loved meeting all his friends. I thought my dad was so cool working at the county building

“ *Nand was such a kind man and always had a smile. He was always so proud of his family and would share stories of them every time I worked on his computer. He was so proud of all your successes. I ran into him at Home Depot a couple years ago and he was still the same happy Nand. Even my autistic son gave him a smile back. My deepest condolences to his friends and family.*
