“ *My heart was saddened to learn of Nick's death. I remember that smile of his and that little mischievous grin! He was incredibly smart and a "one-of-a kind" thinker. My prayers are with your entire family today. May God's presence give you comfort and encouragement. Blessings to all, Sue Burrows*

“ I am so so sorry for your loss, words cannot describe the sadness I feel. I am Jennifer Sandoval's mom and Jen and I want you to know that we are praying for you. We hope you can find some small amount of comfort in knowing that we are asking God to help and support you and give you the courage you need to take one day at a time, maybe even one minute at a time. I sincerely send you heartfelt sympathy. I will pray and pray and pray for you all.
