

Drake Nischeal Prasad

September 15, 2011 - November 8, 2012

Our special little angel was taken from us on November 8th, 2012 unexpectedly.

Drake was the happiest baby anyone had ever seen. He loved to laugh, smile, play and dance.

Drake touched everyone he came in contact with in some way or another.

No one will

ever forget that beautiful smile. Drake was a very happy kid, he loved to play with his toys,

tools, drum set and he loved all animals. He did many things in his year than most people do

in their entire lives. He went to the SF zoo, the Oakland zoo,

Monterey, and most recently in September

he traveled across the country to NYC for a week to see his aunt

Merilyn.

Drake is survived and loved by his mother Jessica Herrera, father

Alvin Prasad, grandparents Ramesh and Soni Prasad,

grandparents Donna and David Henry, Aunts Sherlyn Collins, Merilyn

Prasad, Mikayla and Erica Henry, Uncle Patrick Collins

Cousin Lariah Collins and many more.

Services will be held Saturday November 17th, 2012 at Turlock Memorial Park. Viewing will be at 12:00 pm, services will start at 1pm.

Any kind of help would be greatly appreciated, we have set up a

memorial fund at Valley First Credit Union under the name
Drake Prasad Mem. Little Boo, you will forever live on in our hearts
and memories, we love you so much.

“ my heart is so broken, because Drake was perfect in every way possible. This baby brought so many people together and made his parents the happiest parents on earth. I cannot imagine the pain Jessica and Alvin are experiancing, but I know that they feel blessed that god gave them the best gift in the world, even if it was only for a year. I recently found a poem that I know we all can relate with -

I Only Wanted You -

They say memories are golden, well, maybe that is true. I never wanted memories, I only wanted you.

RIP Baby Drake, and please watch over your parents and your family because there will not be a day that goes by that someone will not be thinking about you.

I love you

“ We love and miss Our little Neighbor. You will forever live on in our hearts.

"The reality is that we don't forget, move on, and have closure, but rather we honor, we remember, and incorporate the loss of our loved one into our lives in a new way. In fact, keeping memories of your loved one alive in your mind and heart is an important part of your healing journey."

We will keep your Memory Alive Drake. xoxo We love you Angel Boo.
