“ *We were neighbors here in Livermore when Norm and Jack both worked at Sandia, then they retired in middle '90's. Both our families attended Calvary Temple here. Norm was always involved with various activities and yes, enjoyed events with aviation. He and Verlene lived up in the Gold Country for several years but our paths did not cross much then. We tried to visit them in Las Vegas one time but he was at air show and Verlene at a baby shower. A couple times in last couple years we did chat when they came to visit her son and family here. Norm was a very likable fellow. Sincere sympathy to his family!*
