“ *My thoughts and prayers are with ya'll as you go through this time of sorrow, May God be with you in every way, to hold you close to his bosom, to be there in all things. Lord I ask that you be with them, give them a peace, a comfort that only you can give. I pray for each family member, including us, as we have lost a loved one also. God just be there for them in this time of need, may they seek you in this time of loss in thier lives, and for your strength. I pray Father to be with Patsies husband and children, Father Patsy has fought the good fight, and she won. She is now sitting at the feet of Jesus with a whole new body. So I close with this my sweet family. Patsy is saying " Don't weep for me now I'm home with my Lord, and all of my family and loved ones." God bless each of you at this time and may he put you all at rest now, for Patsy is at home, her Heavenly Home. God loves you and so do I. Your cousin in Christ. Linda Poole Moore*

“ *I am so sorry for your loss. I remember Patsy as my girl scout partner selling cookies together and laugh at the time we walked up to a house with 2 Dalmatian dog statutes on the front porch. We realized they were not statutes when they chased us back to the car. Needless to say, we did not sell cookies to the people at that house.*

“ *I attended the funeral service for Patsy yesterday and although I signed the guest book I didnt approach the family because I really only met Eddie one time at a baseball game. But I've known Patsy since I started working at TID in 1990.*

I wasn't surprised to see how many people were at the service.

Patsy was one of the sweetest, most honest people I worked with at TID. She was a woman who went out of her way to help you when you were feeling down.

Although she was a beautiful woman, I dont think she even knew it or if she did, she didnt care about it. Her goodness came through in her actions.

I will never forget her encouragement and kind words. In a normally "dog eat dog" environment, Patsy stood out as a kind and caring woman.

To her husband and the rest of the family, my prayers and thoughts are with you at this most difficult time.
