“ Dear Jean,

You and Paul have been family to us ever since your wonderful Son and my dear Brother in law tried to run my rotten brothers over everytime he passed our house. We will never forget the wonderful holidays and BBQ's you threw to bring our family together.

Paul is a strong and generous man who's charm and sarcasim will always bring fond smiles and warm thoughts in our hearts.

Your dedication to your marriage in good times and tough times will always serve as an example for me to follow.

He will always be remembered in our hearts and prayers. We are better people because we had the blessing to have you both in our lives.

Please always know that he is looking down on us all probably wishng we could hear him telling us were not doing something just to his standard! I always loved that about him. His stories were always funny and never ended until he knew the lesson was understood!

You had such a blessing from God with him by your side and I pray that as time passes your heart will heal.

Never forget that you have such a big family around you always and as crazy as we truly are, we have crazy unconditional love for you and my Brother Jared. We will always be here!

Put your trust in God and know in the most desperate times in our lives he will be there to carry you. But again that's only if you let him.

God bless you and all those in pain over the loss of such an amazing man!

With love and prayers always,

“ *My memory of Paul was not one moment. But in his ability to be gruff*

but accepting of you. No matter how much he might deny that. He always would welcome you in and if you were daring could engage in a good conversation with him. He will be missed and I look forward to seeing him in Heaven.
