The Koelzer family moved to Turlock in 1934 where Paul attended Turlock High School, graduating with the class of 1941. In 1948 the couple moved to Modesto where Paul began working for Pacific Telephone. Paul retired from the telephone company after 32 years and became a full time almond rancher in Hughson. Paul was an avid hunter and fisherman and loved to work with his hands and being outdoors. After retiring from ranching, Paul and Bee purchased a motor home and traveled extensively throughout the United States. Paul always looked forward to seeing his Navy buddies at ship reunions. “ *I just heard today, that Paul had gone to be with our Lord in heaven. I met Paul in 1976, when I started working at Pacific Bell. Paul was a very nice man and a big help to me in learning how to become a good Outside Plant Engineer. His wife and family will be in my prayers.*
