“ My Tio Paul touched so many lives and the final days of his life blew me away to see how many people really truly were touched and loved by this man. I remember when he first started getting sick, I didn't believe what was being told to me. But when I seen it first hand it broke my heart and the day that I went to see him at Country Villa and he didn't know who I was hurt so much. Now I know you are not in pain anymore and I will cherish my memories of you. I am going to miss him licking my arm (nasty), wet wheelies(gross), him giving me those looks when my voice was to loud(scary), his yelling with no movement of his lips, him telling me he seen Tony drive by with a "blondie" in his car. I loved my Tio with all my Heart and so did my kids. Big Tony always wanted to go hunting with you but it never happen, maybe it didn't happen because you told him he was going to be the "bullseye". He loved you so much too. Tio you will be in my heart FOREVER. Tia Mary, girls and grandkids you will be in my thoughts and prayers, and I pray that God will give you comfort. I love you.

"R.I.P. Tio Paul"

Sincerely, Trina "JOLLY" (Green Giant) Tony "SASQUATCH" Little
Tony "TINY TIM" (these were the nicknames my tio called us)
