“ I got to know Pastor Paul while working at EMC. He graciously accepted my request to preform our surprise wedding we had at our home. I gathered a small group of mostly family under the guise of a party. When Paul got to my house, is when I told those gathered what was about to go down! That was almost 11years ago. What a sweet, gentle soul. I'm sorry for this family's & friend's loss. Heaven gained a true angel.

“ I am grateful for the friendship and fellowship Paul and I shared while he was in Kenbridge. He was a great source of encouragement to me. He was always so kind and complimentary. I will never forget the time of fellowship Penny and I shared with Paul and Susan in their home around the table just prior to our leaving Victoria. I continue to covet the frog Paul gave me as a reminder to "Forever Rely Upon God."

“ My deepest sympathy to Paul's family. We became best friends in High School and have kept in contact off and on since 1960. I was a friend to his parents when they worked in the Peoria, Illinois area. I would like to hear from brother Bob. I can be reached at: tjgarrison21@hotmail.com.
