“ I met Pennie at New Life Christian Center in March of 2013. I had just had brain surgery and she came rushing up to me with a huge hug (like she'd known me forever). She introduced herself and asked if I had cancer. We became fast friends. I told Pennie it was hard for me to attend Bible study in Turlock because, although I work in Turlock, I live in Ceres. I'm off work at 4:00 and Bible study doesn't start until 6:30. Pennie had a quick solution for that; she told me I could come to her place whether she was there or not. I never took her up on it (regrettably). Pennie's love for the Lord was infectious. I never saw her without a smile and never heard her utter a bad word about anyone or any situation. I'm happy she's at home with our Lord, being cradled in His arms at last! I will miss your hugs and smiles Pennie!!
