

Peter Vidal Vasquez

February 9, 1962 - November 1, 2015

Peter Vidal Vasquez passed away on Sunday, November 1st, 2015 in the serenity of his home in Ceres, Ca. at the age of 53. Dad was always known as a hard worker, optimistic and a truly generous person. We will each treasure the precious memories of him...For Charity it'll be the expression he wore each time he came home with a new stuffed animal as if he'd stormed a castle and fended off a legion of soldiers to get it for her. For Jonathan it'll be the many trips to the store to buy him something special. For Mikaela she'll always be his perfect little princess. For his many friends and acquaintances he'll be the friendly, caring selfless individual whom was always willing to extend a helping hand.
