“ You were always a true gentleman and I wish we got to meet before you passed. The last time we messaged each other, it was because you were looking for a dj for Angel's birthday party. You messaged back mentioning that the dj was good and I recall being very happy at that moment. You will be missed bhai.

“ At Priscilla's birthday, bhaiya was walking around with sliced guavas. He offered them to my parents and said in Hindi, eat now, eat now, you'll never find guava this good! My dad has since passed. My mom says he was always happy and smiling.
