“ Ray was a very kind man. He was impressive as a square dance caller. It's a surprise to learn he was a truck driver. His kind of gentleness doesn't come to us very often. We are sorry he is gone. Our best to Sharon and family. Evelyn and Skip Howard

“ Ray was a very nice man! We enjoyed talking about our times driving truck. And his gigs for auctioning off events! He was so great at calling square dance tips! He spent alot of time getting ready for club night! He did an excellent job filling in as are club caller! I always wanted to go to his house, so he could show me the app he used on his computer to get ready for calling on club night! HE WAS ALWAYS PREPARED! I Loved him as a friend and will miss him very Very much may you rest in piece! No medical issues any more!
