“ *I miss my little cousin so much. The memories I have of him will forever be charished. My heart hurts for my Auntie still. I wish I could wrap my arms around her but I'm so far away. I think about him all of the time. I see him in his son. I love you Rob. Until we meet again...*

“ As many know, Robbie’s mother had wished for a child. She had tried for many years but was unsuccessful. Then, in God’s plan, he gave her a child and his name was Robbie. He was the “Miracle Child”, which was thought that Robbie’s mother was unable to conceive. All were blessed by this “Miracle Child”; named Robbie. He touched the hearts of so many. All that know him know how silly he can be and how much fun he was to be around. There was never any doubt the love he had for his son Ryder. Although his time here on earth was short, he carried on the “miracle” with Ryder, which he will carry on his father’s gift of being “special”. Just wait and see the many things Ryder will accomplish in his life and it is all due to the love and caring from his father, Robbie.

*Please do not be sad for Robbie, for now he is carrying out his work (in a different way) by looking over all the family and friends he left behind. His love and caring will always be there looking out for everyone during this Christmas Season.*
