

Robert H. Gomer Jr.

November 14, 1926 - February 16, 2010

Robert H. Gomer passed away February 16, 2010 at St. Francis Assisted Living in Turlock, CA. Bob was born and raised in Wichita Falls, TX to Robert Sr. of Tennessee and Myrtle ne Watson of Texas. He moved to Turlock with his wife, Winifred (Winnie) and his daughter, Roberta, in 1950 after serving in The Pacific as a gunner on US Navy Destroyer USS Sumner during WWII. Bob bought Turlock Marble and Granite Works in Turlock after his father-in-law, Sam Thomas, retired. He operated the business for 40+ years. Bob was active in the community, most especially as a lifetime member of Kiwanis Club. He happily volunteered in countless Kiwanis events and fundraisers. Bob was preceded in death by his wife, Winifred, and is survived by daughter Roberta Fontenot, granddaughter Willa Claire Caldwell, grandson Ian Reed Caldwell, great grandson Xavier Pena-Caldwell, and sister Ann Woodard. We remember our father/grandfather as a man of integrity. As a businessman, his word was his bond and you could count on Bob. We remember his generosity generous to a fault. We remember his love of family and home. We remember his enjoyment of outdoor activities such as camping, fishing, boating, water skiing, cruising, golfing, snow-mobiling, and motor homing. As motor home owners, Bob and Winnie enjoyed many vacations with Turlock Pleasure Seekers. Because of his adoration of children, we appreciate donations made to children-related charities such as Shriners Hospitals for Children, Make A Wish Foundation, St. Judes Hospital, and/or Angel Flight, etc. in lieu of flowers. A graveside service will be held at Turlock Memorial

“ *My dearest Bobbie, just wanted to tell you our thoughts and prayers are with you and Claire and Ian. Gene and I loved your Mom and Dad so much. We would not be where we are today if it hadn't been for them. They had such a wonderful life and your Dad always loved life and his family. I know you will miss him but I don't think he would have wanted to live the kind of life he was getting to. Age does that to all of us if we live long enough. Much love, Gene and Jody*

“ Dear Bobbie, I am very sorry for the loss of Uncle Bob. I always enjoyed when Uncle Bob and Aunt Winnie would come down south in one of the many motor homes that they owned in their lifetime. They always came with smiles on thier faces and loved on us like we were their own. No words could possibly lift the sting of the loss of a father, but I hope the momories that you have of Uncle Bob and Aunt Winnie will always make you smile.

“ Roberta, It is just wanted to express my condolence in the loss of both your parents, your mother Winnie November 12, 2008 and your father Bob February 16, 2010. Over the years especially during the 1950's and 1960's there would be many good memories with them as well as with our families.
