“ *It was nice to meet Robert recently. I could see how much he loved seeing the fire trucks and how proud he was of his dad Tim. Tim you were a true hero to Robert and it showed in your love, care and thoughtfulness that you shared with Robert each day. I hope your memories with Robert will bring you joy and comfort in the future. Each time I hear the fire trucks siren, I know that Robert will be smiling in heaven...God bless you and your family*

“ Our prayers and thoughts are with you at your time of loss. Robert was a joy to know. I can remember when I would bring Marlena her lunch when she worked at Mayfaire Manor. Robert would always come to the door and call my Grandma. He would always be so excited when he got to ride the fire truck at Christmas. When I would have to use Marlena's car he would always ask have to share. He will be deeply missed but we will always have him in our hearts. Marlena will really miss him.
