“ *Our thoughts and prayers go out to all of Bobs family. I shall always be grateful for having Bob as a cousin and friend. We had many long visits when I lived in Turlock. With loving thoughts always, Uda*

“ *I am sorry to hear about Bob's passing. Growing up next door to the Hedstrom's brings back many fond memories. One of my favorites is when Bob would find me each morning folding my newspaper route newspapers, as he stopped by our garage, to be the first to get his copy of the Modesto Bee. I still remember he would say each Friday morning, "TGIF!". Bob was a great neighbor and friend. I always felt like he and Betty would also watch out for us Thompson boys as we played around the neighborhood. The Thompson family could not have asked for better neighbors, than the Hedstroms (I believe neighbors for over 40 years).*

“ Our thoughts and prayers are with our wonderful Sandy and her children Kara, Andy, and Krista. We only met Bob a handful of times but the love his sister and nephew and nieces held for him is an honor to him and his life. Our thoughts are also with Betty and Bob's children. God Bless You.

“ My deepest sympathy to the family of Mr. Hedstrom. Bob was one of my high school teachers, and I must say, the best of all. Always kind, supportive, with a style which made you want to learn. He made English fun and will always be remembered. The world lost one great man, Heaven gained a shining star.

“ Dear Bob You are my brother and friend and are missed so much already. I loved getting calls to hear about what was going on in Turlock and your excursions with Betty.
I could always count on you to remember fun things about our Dad and Mom (Roy and Carrie as you called them) and grandparents and other family stories.
I will be forever grateful for the moral and Godly lessons, without judgment, that you taught me. You would patiently let me rant and question Christianity and whine when we went to pick up kids from the fields for Sunday school. When I was done, you said the same thing every time, “God Loves Everyone”.
You didn’t even know that you were a great man on this earth. I know that heaven is a better place with you there.
Love forever and always, your sister, Sandra
