“ Rosalene had a way of making everyone who talked to her feel special. When my best friend, Kathy, introduced me to her mother, Rosalene, back in 1989, I could instantly see what a fun and loving person she was. Whenever I would see her, she would make me feel like family. She showed interest in everything I had to say. She was such a sweet and caring soul. I will never forget you, Rosalene. My condolences to her beautiful family whom she loved so dearly.

“ Dear Mom... I have no words to describe the sadness that I feel. I cannot believe that you are gone, and it's heart wrenching to think I'll never see you again on this Earth! I do know however, that this is not the end, and we will all be reunited in eternity. Until then, just know that I love you with all of my heart, and every day for the rest of my life I will miss you terribly. ❤️📧
