“ *Mt. View School - I have many fond memories of Mrs. McNutt driving us to field trips. She was a wonderful generous person who was always willing to help. Her son, Paul, and I were in the same class, therefore, it was a privilege to ride in her car. She will be missed by all. Many blessings to the McNutt family.*

“ Dear McNutt Family,  
It is with sincere thoughts and prayers that I sent condolences to the entire McNutt Family.

I grew up on the dairy farm directly across the street from the McNutt dairy farm on Crows Landing Rd. My parents were Lloyd & Betty Swanson, may they Rest In Peace. My Dad was herdsman and milker for Ollie shortly after selling his dairy back in the late 50's.

The kids all went to Mt. View School at the corner of Crow's Landing Road and West Main Street in the Mt. View Community. Dan McNutt was my first boyfriend. I think I was 13. He called me up and asked if he could take me roller skating at the park next to the Mt. View Grange Hall. There was a large cement skating rink there. He must have heard his older brother Corky asking girls out. To most of the family I was know as "Bobbiesox"

Boots was a wonderful person. She and Ollie didn't know a stranger. Like most families in Mt. View they help make the community grow and thrive. It was a close knit community back in the day. It was a great place to grow up. All the kids played together, went to special events at school up in by the PTA. My favorite was the Cake Walk or the Box Picnic Lunch Fundraisers. Danny always bought my cake or picnic lunch. Needless to say Boots, Ollie, Lloyd and Betty were involved with all community activities.

Those years living in the Mt. View Community with families like the McNutts, Sparky and Janette Parks, Norman and Freda Lucas, Elvin and Katie Santos, the Ruble Family, the Sam Brouhard family, Ray Souza's Family, the Andy Anderson Family, and Elzenga Family. So many more.

Again, Danny, Corky & Janice,

My thoughts are with you 🍷🙏🍷

Sincerely,

Roberta "Bobbie" Swanson Hilligoss
