“ Dearest Becky and Family,

So sorry to hear about your loss. Words cannot properly express our feelings for your loved one, but just know he was a kind, gentle, personable human being who was a pleasure to work with while we were both at EDS/HP. It was always nice to spend time with him and his smile was infectious. No matter who you were, he always went out of his way to make you feel welcome and he was never too busy for anyone. He will be missed!!!
