

## Scott Runyan

April 22, 1977 - May 25, 2022

Scott was born in Turlock, CA on April 22, 1977. He grew up in Turlock and Denair and attended Turlock Christian School through the 8th grade, then Turlock High School, from which he graduated in 1995. After high school, he joined his father in the construction business and was a building contractor in the area until his death on May 25th, 2022 after a short bout with cancer.

He is survived by his son; Landen, of Turlock, his father; Don (Lisa) Runyan, of Turlock, his mother; Myrna Runyan, of Hughson, his fiancée; Ashley Mauksch of Turlock and her children Shayla, Colten and Dylan Mauksch, his sister; Kim Runyan (Jeff) Grigsby, of Turlock. He is also survived by two nephews, several aunts, an uncle, cousins, and other extended family members.

Scott was fun-loving and constantly entertaining. He enjoyed boating, fishing, hunting, golf, and spending time with his friends. He loved taking Landen to his baseball and football games, coaching and watching him play. Scott had a wonderful sense of humor and, more often than not, made people smile just by entering the room. His infectious smile and brilliant character will be sorely missed. He was Simply the Best.

A memorial service will be held for Scott on Friday, July 8, 2022 at 2:00 p.m. at the Turlock Funeral Home, in the Main Chapel.

“ There isn't a memory that doesn't include laughter! Scott was the life of the party. I met Scott in junior high school through Jason Watson, they played football together. Scott introduced me to Heavy D and anytime I hear "Now that we Found Love" I think of him. We remained friends through high school and afterwards. Some of my best high school memories include him. We certainly all had a tight group of friends. If anyone remembers camping at the lake and trying to sleep, you know you couldn't because Scott was dragging a found stop sign through camp to wake everyone up.. Dog Pound, having too much fun at Tommy Grissom's house.. Hanging out at Myrnas house in Berkeley Woods, Raquel's house.. Mazatlan.. Senior Sunrise, Senior year in general! I never saw him without a smile and was always greeted with a warm hug and "Hey Sweetheart." You have always been one of a kind friend. If anyone could get their entire crew to shave a handprint on top of their head, it was you.. Nobody jumped a bonfire like Scott.. You are free now Scott. I know you are hanging with Tommy catching up over some Coors Lights.. Love you friend. Thank you for the good memories that I will never forget..

“ I first met Scott in the summer of 1991. Right before our freshman year. We became fast friends! I spent a lot of time at his house that summer. I have many fond memories. Right before our senior year. He invited me to go to Colorado to Don's house. That was an amazing week. I was in his wedding and he was in mine. Even though I had moved to Southern California we always checked in on each other. I am going to miss him so much. Love you buddy.
