“ *Dear Shamshoum,*

May God bless your soul. I remember you as if it was yesterday, although I have not seen you for 40 years-

I was a student at Noor elementary school in Tabriz. I just discovered that you were in the United States all this time and you passed away 8 years ago. You are a part of my happy childhood memories and I feel like, I lost a piece of me.

Rest in peace and may God bless your family.

“ I learned that things change, people change, and it doesn't mean you forget the past or try to cover it up. It simply means that you move on, and treasure the memories.
Khalo, I would never forget the day that you asked me to keep my old Bible some where safe, and I still have it :) You will be MISSED.
