

## Shannon "Shanny" Youkhannah

March 14, 1971 - February 13, 2025

Shannon "Shanny" Youkhannah gave her gentle hand into God's hand as he guided her into the morning light on February 13th to her new life, leaving behind her devastated family and friends. Shanny taught everyone she met to be humble, loving, faithful to God and caring to human kind. Shanny's faith in God was unbreakable, her love for her family was unconditional and her loyalty to friends was unlimited. She was the first to lend a helping hand and shoulder to anyone. She devoted herself to her family, God, her precious cat Fannie, and friends. She was simple but grand when she entered a room with her infectious smile and laughter. She gave a helping hand to strangers especially to her family and friends. She was one of a kind. She will forever be missed and she has left a tremendous void in our lives.

Shanny was preceded in death by her father, John Youkhannah; uncles, Amo Malik, William Kanon; aunts, Shamiran Kanon, Helen Malik, Ester Malik, Victoria Adams; cousin, Tower Adams. She is survived by her mother, Sandra; step-mom, Sylvana; siblings, Eman, David, Susan, Hormiz, Zaya, Tower, George; nieces, Alyssa, Ash, Fae, Luna; nephew, Anthony; great-niece & god-daughter, Ines; great-nephew, Elias; cat "Broonie" Fannie; extended family & friends.

Funeral services will be held at 10:00 a.m. on Wednesday, February 26, 2025 at Mar Gewargis Parish, 3900 Brickit Ct., Ceres, CA 95307. Shanny will be

laid to rest at Turlock Memorial Park. Please join the family for a luncheon at The Grand Oak Banquet Hall in Turlock, CA following the services.

“ Sent a letter today to your recipient. I know that’s what you would want one of us to look into to make sure that everything went well. Even in your passing you thought of others. You are and always will be better than all of us. ❤️

“ another day you aren't here. another birthday, another holiday. I don't like the holidays anymore. it's unbelievable you gone. i can't wrap my head around this. i wish i could come see you in turlock; but i can't bring myself to see your name on a plaque that you are gone. you should be here with us; this should not have happened. there's a huge void in everyone since you've been gone no one can seem to wrap their head around it. unbelievable you are gone i can't and will not ever accept this. you should be here on earth. we thought losing dad was hard; this is aching all day everyday for you. i hope you are dancing, laughing up their in Heaven. You are the reason we've all humbled ourselves to you and just want to be you Shanookie. I hope you know how much you are loved and we are lost without you here. keep coming in my dreams please. everything i do now is what would shanookie want me to do right now and that's how i function. what would the easy going, humble loving shanny want and it's done. you have broken me that words can't express. i hope you are okay and we all LOVE YOU. we will not ever ever forget you or stop missing you. i miss you so much that it burns with the ache i have for you.

“ I've been thinking about you more these days. A day doesn't go by that we don't miss you and wish this did not ever happen. I hope you know how much you are loved and how much you are the glue to this family. We are all better people for having you in our life. You were in my dream; but I can't remember the dream smh. I'm so lost not having you here on earth. It drives me crazy just thinking you are in Turlock. You should be home with fannie, mom, eman and david. you left way too soon. You are our first thought in the day and the last thing we think about; is you. i have said this and will say it for the rest of my life. I would give anything and everything up to have you back here at home. every birthday, holiday, weekend you should be here; nothing will ever be the same with you gone from us. we miss you shanookie every inch of you is missed.

“ Each day has become more and more difficult for mom smh. Sunday was the worst I've seen her. It's pure agony and heartache to see her hurt and ache for you. I wish I could take her pain away I can't. She aches for you every second of the day. You broke us Shany, you broke us smh. I would give up anything and everything to have Feb 12th back and not this. None of this. It's not fair to have you gone I went to your grave and it's not right to see your name on a stone. None of this makes sense to me none of it. I'll not ever wrap my head around this not ever. Take care of mom when she comes to you this has killed mom smh we all love and miss you and will mourn you for the rest of our lives. I'll always mourn you I just can't in front of mom, eman and David. You broke me forever

“ I don't know how to wrap my head around this. I don't know how to take the pain away from mom, Eman and David, the kids. Everyone is lost over you. This has been a horrific loss. You broke us, you've humbled us. If I could change anything in this world; this would be it and only this. I would give up anything and everything to have Feb 12 back. Have you back home with mom, Eman and David smh. This has gutted all of us. You will not ever be forgotten be replaced and mourned. I can't come see you; you should not be there. You should be here on earth right now.

“ Happy Birthday. We should not be posting on a memorial page for you you should be at home with mom, David and Eman. Enjoying today with them with Alyssa and Anthony and the little ones. I would give anything to have Feb 12th back and not this. I would give anything to bring you back this aches to have you gone. You were the best of the 8 of us. You didn't deserve this way to go. You were too young and had much more time to have on this earth with everyone. I hope you and dad are dancing together and laughing up there. ❤️
