“ Dear Aunt Ruth, Erin, Amy and families. Our thoughts, prayers and love go out to you now. I have so many fond memories of times spent with Sharon, especially on summer visits. Just a couple of weeks ago, she and I were talking about just that and how she felt like a "Princess" when she visited; and, that is exactly what she was in so many ways...sparkling, cheerful and loving. And, she will always be remembered and loved. Hugs and more love to you. "Cousin" Karylene & Don

“ Dear Family,

I am so sorry. You have lost your Mom and Dad in such a short time. May God be with you in a very special way.

I remember your Mom when a group of Kindergarten teachers were writing the first Kgn. Report Card. Your Mom had her computer with the ball and away she went typing all that we said, then helped us put it in the right area. Many fine memories of her laughter as we met after school. She was such a help to us. She will be missed by your family so much.
