“*Words can't describe the profound sorrow and pain in hearing that Khat Shooshan is no longer with us. She was a proud Assyrian and a faithful Christian believer but above all else, she was a person who brought others happiness and embodied the best of humanity. As our hearts beat with the heart of Mother Earth, may her memory be a light for us to never take one moment of life for granted and to be inspired by her beautiful soul. Her life was proof that if you work hard and with dignity on this planet, you can share the material and cultural goods human beings need. Each of us will eventually be like all the rest. Everybody's turn comes, but the passing of Khat Shooshan is indeed quite sad. May she eternally Rest In Peace*
