“ *Mr. Simmons was by far the best teacher i ever had. He made middle school rock. Mr. Simmons was down to earth and totally understood us . I still to this day tell my kids storie about my favorite teacher from hilmar. It is sad to here that such a great person like Mr Simmons is no longer here to put smiles on everyones faces. Cause thats how i remember him. No matter what was going on with my home life ,when i entered his class room it all magicaly disapered, and even if just for that little bit of time life was happy and good. Rest in peace. Mr Simmons . You will always be a ledgon to me.*

“ My condolences to the family. Mr. Simmons was my teacher in junior high. In more recent years, I would see him at mass on Sunday evening at Sacred Heart. He had his favorite spot in church and would always greet everyone with a smile and kind words. Rest In Peace Mr. Simmons.

“ My heart breaks for your family. I was probably the most broken student you ever taught, and yet you helped me to feel peace. I know you didn't know in life what you meant to me and how much you helped me begin the journey of healing that has been my life; but I believe- now you do. Thank you for being a light in lives of those lost in the dark.

“ Mr. Simmons was one of the few teacher to believe in me and give me a positive view in life. I swear I could always joke with him and he would joke back. You and the rests of the teachers at Shattuck made me feel welcomed. May you Rest In Peace.

“ *Mr. Simmons was one of my favorite teachers. He was always telling jokes and we all loved that he would wear those bell bottomed jeans and turtle necks and keep that comb in his pocket. He was always so happy and cheerful that you couldn't help but feel the same way when you were around him. He took the time to get to know you and make you feel like any problem no matter how big or small was always something that you should talk about and pray about. I remember many times him praying with me because of something going on in my life. I truly felt special just knowing that he cared and I feel that he made a difference in my life. I wish all teachers made their students feel the way he did. He will be missed and never forgotten. Soar high Mr. Simmons. We will miss your amazing laugh and smile.*

“ I feel this loss very much. Mr. Simmons was a wonderful man, not just a great teacher, but also a friend to his students. He would use this friendship to guide and help them. I loved hanging out with him and talking about school, college, and my future. He always made me feel like I could accomplish absolutely anything, and that I was destined for big things. My favorite memory, though, is how he would always say that I reminded him of Jim Morrison from *The Doors*. He said that he and I had the same spirit. My prayers and deepest condolences to his family. See you later, Simmons.

“ What can I say about Mr. Simmons? Like most, he touched my life as a long haired, bell-bottom wearing, Rolling Stones listening, coolest teacher at Hilmar Jr. High. His class was one you always looked forward to. Always had fun in. Always felt respected and loved by your teacher. No matter who you were. Rest in peace Mr. Simmons. You touched a lot of students in a positive way that we all have carried with us into our adult lives.

“ Our condolences go out to the family of Stephen Simmons....What a man to know and enjoy him each time we saw him in Denair, his hometown. There is nothing a person can say about him that isn't delightful. We will miss seeing him walking the streets of Denair. This man was one of a kind. May he rest in peace and enjoying seeing his many friends from Kristi Dr. that left before him. I didn't realize how much he liked Mick Jacquer, who happens to be our favorites too. Gone but never forgotten.....
Enjoy the golden road you are walking.

I was one of the lucky ones that had Mr. Simmons for a teacher. I'll never forget catching the chalk he tossed at me. He thought I wasn't paying attention. From one ADD kid to another we were always paying attention. That bundle of energy had to go somewhere.
