“ *I've worked with Terry at Cal Crush for 3 years and had the pleasure of getting to know him. We girls in the office got a kick out of seeing the different classic cars he'd drive in and show us and it was just a couple of days before he passed we were talking about how we grew up in Cupertino and after working together for years we had discovered we had grown up in the same town. Terry was a great guy and will truly be missed.*
