

## Tina Ferreira

July 23, 1962 - August 19, 2022

I was Tired! I went to sleep with my dogs, Mama and Marie watching over me. My job done here, it is exhausting to be a strong, independent survivor doing things my way, my time. I knew my sister would be upset but she loves me unconditionally so she will forgive me she always does.

I was born in Ceres, CA weighing in a little over 3 lbs. That is when my fight to survive started. A heart problem that lasted my life. A Dr. Norman Shumway (heard of him?, pretty famous) operated on me, he gave me less than 5% chance to survive, I did and grew up to be an accomplished horse woman showing Arabian Horses but I loved all animals. My favorite flower was roses. My sister says my heart was made of gold because I was always wanting and willing to help others. I loved my friends and really loved to shop. My family wants to extend a special Thank You to my wonderful doctors, Dr. Susie Wenstrup and Dr. Kaylon and Valley Heart and also to the many other unsung heroes in my life.

Tina is preceded in death by her Mother, Mary L. Ramsey, a infant brother Kenny Ferreira and all her grandparents.

She is survived by her father, Larry(Judy) Ferreira, sister Cheri Baptista-Lopez(Jim) her nephews Matt and Brian Baptista and 2 great nieces and 1 great nephew. She also has a remaining brother, Denny Ferreira.

Tina will be laid to rest next to her grandmother Eleanor Myers's at Turlock Memorial Park at a private family service.

In lieu of flowers her family requests donations be made in her memory to Turlock Animal Services or any donation of your choice.
