

Trudy Ann Coats

July 7, 1958 - October 17, 2018

Trudy Ann Coats, 60, passed away at Emanuel hospital in Turlock, CA on Wednesday, October 17th. She was surrounded by her loving family.

Trudy was born in Turlock at the old Emanuel hospital on Canal St. She was born July 7, 1958 to Kenneth and Lucy Falkenberg. Raised at 2585 El Camino Dr. in Turlock, she attended Sacred Heart School from 1st through the 7th grade and graduated from Turlock High School. A stay at home mom, Trudy loved spending time with her family.

A woman full of kindness and warmth, Trudy had a big heart. She loved helping those who were less fortunate than her. Trudy enjoyed volunteering at Good Samaritan and making boxes of food for the homeless. When she wasn't sending her love out into the world, she could be found fishing, baking, thrift-shopping and attending yard sales.

Trudy is survived by her mother, Lucy Falkenberg; her brothers, Dale Falkenberg and Danny Falkenberg; her sons, Daniel Coats and Ryan Coats; daughter, Lena Coats; daughter-in-law, Kelsey Coats; grandson, Daniel Coats; granddaughter, Sharon Coats; and Lena's unborn twins, who Trudy was unable to meet but loved unconditionally already.

Our mom was the greatest. She was always on our side no matter what. She was the most self-less person. She wanted so much in life, not for herself, but for the next person. She loved to go shopping and picked out things for everyone she loved. She was always so thoughtful to others needs. She will be missed so much.

“ *I remember one day I gave Lena a ride home, and I had parked the wrong way in front of Trudys house, she came out kind of mad and told me I can't park there like that. A bout a month or so I had given Trudy a ride I park in front of her house the wrong way, so I looked a Trudy and said man I better park the right way because the owner of the house will start yelling at me, Trudy looked and me laughed and then she said no it's on to park like that because before I was Lena friend but now I'm hers and I can park anyway I want. After that we got along so well I miss you dearly Trudy
Love you always and forever
