“ Our family has fond memories of Urmila. Our boys and Jay got in many scraps together. Even though Nadia is Darin's age, Nancy and Nadia would often play together. I remember curling Urmila's hair and working on her work shirts so that they would be more comfortable to wear. We always exchange goodies at Christmas and have had many visits. She will certainly be missed by all who knew her. Our prayers are for Jiwan, Jay, and Nadia.
