“ Uncle Vern, loved the times, talks and laughs. Wish I could have heard more of your adventures as a young man. A piece of my heart is with you.

“ Rest In Peace Verne. You will always be loved and missed. You were more than a coach to us during cross country and track. You taught us valuable lessons that we could take away from sports and apply to our every day lives. You always saw the potential we had and brought out the best in us and would motivate us on the days we weren't feeling great. I'm thankful to have had you as a coach and role model growing up as a young man. Thank you Verne!

“ *The day Verne would no longer be with us is a day I truly never expected to come. I've had the privilege of knowing Vern nearly 20 years, and it felt like he never aged a day. One of my favorite things about working at the track meets over the years was seeing him at almost every meet. I'd try to find a break in the meet to go over and chat for a few minutes and those may be some of the fondest memories. Not to mention him being around to help coach us, he was a big help and I learned a lot.*

Gonna miss you, Verne

*Verne was there when Lynbrook HS opened, he was the Meet Director for many CCS & NorCal Finals and was an avid Cal Bear fan. I knew of Verne when I ran in HS and saw him at meets, and then got to pick his brain some 20 years later when I took over the program at Lynbrook.
RIP Coach Thornburg*

LA

A great coach and even better teacher. Without his guidance and understanding I would have never made it out of Homestead High School on time. He was always there to look out for his students. Wish I would have seen him before he passed. A lot of kids are doing well because of him. RIP Coach.
