When I am gone, release me. Let me go.
I have so many things to see and do.
You mustn't tie yourself to me with tears.
Be happy that we had so many beautiful years.

I gave to you my love. You can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled on alone.
So grieve a while for me, if grieve you must.
Then let your grief be comforted by trust.
It's only for a while that we must part,
So bless the memories within your heart.
I won't be far away, for life goes on.
So if you need me, call and I will come.
Though you can't see or touch me, I'll be near.
And if you listen with your heart,
You'll hear all my love around you soft and clear.
And then, when you must come this way alone,
I'll greet you with a smile and say welcome home.

“ We lost a beautiful girl. I know Verona since she was 13 and i was like a mother to her. She always called me for advice and i treated her like she was part of me. We had lunch together few weeks ago. Im so sad she's gone. I know she is no longer in pain or suffering anymore. My condolences for her family and prayers. I love you Verona!! you meant a lot to me. She will always be in my mind. Hope to see her again in the new World.
