“ *So sad to hear about the passing of Vic. My heart goes out to the rest of the Sward family in this sad time of losing a loved one. I worked for Vic and Gail for twenty years. Vic was a tough man, an honest man who was respected in the industry. I learned a lot from him over the years thru advise from him or just being around him. At times he felt like more of a father figure than a boss by maybe a sarcastic comment to you or by praising you for something. I enjoyed my time with him and his family. He will be missed. A special man indeed. Love, Doug Matlock*
