“ *I was saddened to see that Ginny passed away. I knew her from CSUS. She had a great personality, and I admired her quilting skills. My sympathy to her loved ones.*

“ *I have known Ginny most of my life. She lived right across the street from my family and I. It was a pleasure knowing her and having her as a neighbor always looking out for us when we went out of town. When my mother was sick, the two of them got real close. You will be missed, Mrs. Anderson. Thank you for everything. You will always be in our hearts.*
