“ Your dad.....Bud loved my sister Betty right from day one when they first met. And he loved her til his last breath. He trusted Betty.....and had total confidence in her. He was a faithful husband and father. He loved "his girls", I remember hearing your father commenting.....more than once. Such love is rare.... and that was your dad, Patty. I pray these few words give you and your family comfort and peace in your loss. We love you dearly as well.... and will continue to keep you close in heart and prayer. Aunt Ruth & Uncle Mel
