“ *Dear Domarina and Family, I am so, so sorry for the loss of your precious FAther. I share your loss and pain; it is so hard to lose a parent, no matter the age or circumstances. I am working today, so I apologize for being unable to attend the service at church. I know how much you did for your Father and what a wonderful daughter and sister you are.*

My heart goes out to all of you. My prayers for your Father and for all your family at this most difficult of times.

In friendship and sympathy and prayer, Renette
