

## Wendel Lloyd Baker

August 14, 1955 - October 18, 2015

Wendel is resting now after a long and courageous battle against brain cancer. He fought this battle for us and we will be forever grateful.

Wendel was born August 14th, 1955 to Weldon and Margarite Baker in Turlock, CA where he lived all of his life. He loved Turlock and its people.

Wendel and I met in October of 1985 and he did me the honor of marrying me in June 1986. We had two sons, Zachary and Ethan. He was a devoted husband and father. We always knew we were his most important "Everything."

He was a son who loved and respected his parents and always showed it in his actions and devotion towards them.

A loving and caring brother in every way, not only to his sister, Linda, but to his acquired brothers and sisters, too. Some people call them in-laws, but not Wendel; they are his brothers and sisters.

No one ever knew a truer friend. If Wendel called you friend, you never wondered if someone would be there to help.

Ethan and I will miss Wendel with every breath we take but know how blessed and privileged we are to be able to call this great man, "Husband and Father."

You are invited to join us for a celebration of Wendel's life. Please come prepared to share a memory of Wendel if you would like.

A visitation will be held Tuesday, October 27, starting at 10:00 a.m. up until the service at 1:00 p.m. at the Turlock Funeral Home Chapel, 425 N.

Soderquist Rd., in Turlock.
