“ *I was sorry to learn of Bill's passing. There are many old memories our families shared. Last time we had contact was when he helped us sell the farm. I remember thinking how much he looked like your father. I know he will be missed. Kathleen McLaren*

“ *I first met Bill while he worked at Bilson's Sport Shop in Turlock. He always greeted me with a smile and his service was 'second to none'. I was coaching track at Ballico School on a limited budget, and Bill found a way to sell me track shoes at rock bottom prices. Years later, as a realtor, Bill sold a house to a dear friend of mine. Once again, that high quality service he possessed, was instrumental in the smooth selling process. He made his clients feel very special. What a wonderful and friendly man!*
