“ William was a wonderful person to speak with. He made the very best salads every day for me and I looked forward to our interaction every day. Talking with him made whatever burden one might carry during the day lighter and the day brighter. I did not know William as well as his coworkers, close friends and family do, but I know he was a man of honor, respect and integrity. If a Man has that impact on someone at the surface - that is inspirational! Rest peacefully, William.
