“ *The Vincents were wisdom, humor and stories privileged to consider Bill a member of the family since the 1960's. He graced many tables, family gatherings, holidays and celebrations. We welcomed his wisdom and humor. He will surely be missed. We have marvelous memories.*

“ *Bill and I have been close friends since 1965 when I met him at Idaho State. He was friends with my brother Joe. I was only 17. In 1971 Bill and I drove 5200 miles in My Alfa Spider in Europe. He got to see where his mom was from in Sweden. It was the trip of a lifetime for both of us. Bill and I went to a lot of 49er games and he loved to tailgate. I am glad i got to cook him a good steak and drink a good cabernet the last time I saw him. It was our tailgate party at his home for the Dallas /49er playoff game. 49ers WON!  
I am going to miss crazy Bill, and all the good times we had. I am sure all his friends feel the same way.*

“ *Being a friend of Bills since way back then, there are too many memories to list. He and Ron went to school through the years and then became shipmates in the Navy. Bill had many personalities and one never knew what would he would do next. Through him we met Jen and that was good. Bill has taken his last ride in his precious gold Mercury. May he rest in peace. He certainly will not be forgotten by those that knew him.* ”
