“ *its sad to loose a loved ones no matter how old and when in life, khalo Yoile was 2nd father to me, I got to know him since I was at a very young age when I became a member of Pireh family. I became very found of him and got to know him very well, his love to me and his family , his children was an unconditional love especially his love to my baby girl at the time when I lived with the. I never forget how much love he had for Ilona and how happy she would be to see her grandpa coming home after a long business trip. so yes his love for his family was a divine and unconditional fatherly love. I am so grateful and bless that I got to see him few weeks ago and share some beautiful moments with him xoxo my deepest sympathy to my father-in-law's family and friend, his will always be in our heart and his memories with us, he will be with us never forgotten. may he rest in peace:!*
